

Werner Joseph Betz

March 18, 1950 - November 14, 2025

Chesnee, SC -- Werner Joseph Betz passed away peacefully in his home on November 14, 2025. Joe was the son of the late Henrich and Agnes Betz and the loving husband of Karen Betz.

He was a wonderful papa and stepdad who adored his family deeply, especially because his own family lived in Germany. His greatest joy was found in the people he loved. Joe cherished his church, and his heart for helping others touched countless lives over the years.

In addition to his wife, he is survived by 6 grandchildren, 3 great grandchildren, and his brother in Germany, Michael.

The family would like to extend their deepest gratitude to Spartanburg Hospice for the outstanding care and comfort they received, not only for Joe but also his caregivers. To honor Joe, Spartanburg Hospice provided a full Thanksgiving meal for the family; who great appreciated and enjoyed the meal.

A private service will be held.
