*It was my privilege and honor to work with Mr. Kent Shell at Cleveland Elementary School for 19 years while I served as the School Counselor.*

*Mr. Shell was spiritual, respectful, humorous, and kind. He would often stop by my office to talk about the Lord as well as events of the day.*

*He was a successful man who read and studied the Bible daily. He would also go into the library to read the newspaper and could talk for hours about sports or most any other subject he found interesting.*

*He was helpful to everyone and loved being around the children each day.*

*May he now Rest in Peace...
