“ Jean, I cannot imagine the pain you are dealing with but I am sure you have many wonderful memories of Andrew. The first time I saw him was at Granddaddy's and he was wearing a suit like a little man. The memory you shared about his love for his dogs made me smile. When Aunt Willette would leave Granddaddy's on Sunday she always said she was to go home to feed the dogs. I guess that was an inherited trait. You and the family are in our thoughts and prayers. Love you all. Vivian and Steve
