“ Lucas, your love of life and family inspires us all to just enjoy what we have. You inspire us to drive ourselves to make the best of what we have and truly enjoy it. thank you for choosing my family to be a part of when you were up in heaven before and God asked who you wanted as a mommy and daddy, you looked at Terry and Bill and said, "they will inspire me, teach me and love me more than life. I'll take them." Now you are up there again saying, "See good choices from the beginning of my life." with a big grin. Welcome home, You no longer have to imagine what it will be like...I love you and will miss you.##imported-begin##Edie Langston##imported-end##

“ I'm so sorry for all my Spartanburg/Lyman/Duncan family. I am happy for Lucas and my heart, thoughts and prayers are with those closest to him as they learn to live without him - for now. The only soothing part is to know our Lord and that one day we will all be with Lucas again. Faith is what gives us Hope. We are so blessed, I know I am, to have had 31 years with him. I love you all and miss you. I'm sending thoughts of comfort and prayers for you all.##imported-begin##Kathleen (KC Langston) Blackwell##imported-end##
