*Zach and I started LMD at the same time and him and I clicked right away. He was a great guy to know. He always spoke highly of his parents and Lowrey. He wasn't just another employee who worked at a the company, he was a friend. We talked daily and help one another during stressful times. I met you guy's only once when you came down one weekend and Zach was showing you what we do here. Zach would always be missed. Though it's a sad time just remember when it rain it doesn't just rain on one man's house.*
